

THE REDEEM MACHINE™

- » Andamiro's high-tech, interactive self-service kiosk accepts, validates and counts collectible redemption cards, coins and chips.
- » Ready for Andamiro's SpongeBob, Minions and WWE game cards, as well as popular card games from Bandai Namco and Elaut.
- » High-capacity solid-state HD supports expansion capabilities for additional items.
- » Recognizes bonus sets and awards "e-tickets" and points, accordingly.
- » Compatible with popular swipe-card cashless systems, including Embed, Intercard and Sacoa.
- » Ships with dual ticket dispensers for traditional "ticket" venues.
- » Helps prevent card fraud and theft. Reads barcoded and RFID cards. Securely stores high-value trade-ins.
- » Self-service operation eliminates need for staff intervention, reducing bottlenecks at the redemption counter.
- » Dual 23" screens enable user-friendly experience.
