

TICKET BOXES

by **ANDAMIRO**[®]

Our redemption Ticket Boxes can be placed in Andamiro's Safe Cracker, Super Star and S-Cube/Prize Pod merchandisers, along with a variety of merchandisers from other makers. Andamiro's Ticket Box kit includes eight 9.125" W. x 4" D. x 4.375" H. boxes (assembly required) and 16 colorful 9.125" W. x 4" H. ticket decals in eight denominations (two of the same are applied to a box's front and back). An alternative to product prizes, these block signs will turn any merchandiser into a redemption powerhouse.
