

WRESTLING PRO CARDS FOR WWE GAME |

The Wrestling Pro series is a replacement set of in-game cards for WWE Superstar Rumble, a pro wrestling-themed quick-coin machine by Andamiro. The collection features eight fictional wrestling characters that represent ticket values in gameplay. There are seven standard wrestlers worth 50 tickets; players win the super bonus when they collect and redeem all seven 50-ticket cards. The rare card is TNT Terance, valued at 100 tickets. Wrestling Pro cards ship in 150-ct. boxes. Custom cards with a barcode or logo are available. Updated cabinet signage and decals (2-5) are available.
