## GAME FEATURES

### TARGET WHEEL

Player uses timing skills to shoot coins at targets on rotating wheel to win tickets, drop cards or coins, or activate mini pinball game.

### PINBALL SKILL SHOT

Player initiates pinball game after hitting droplight on target wheel. Ball loads then player aims and shoots at lit targets using plunger. Successful shots trigger bonus spin games.

### SUPER SPIN GAME

### BONUS SPIN GAME

### DOUBLE SPIN GAMES

Hitting a lit target in pinball game activates the Bonus Spin skill-stop, awarding tickets or chance at the Super Spin. Hitting 5 lit targets also triggers the Super Spin game, offering big ticket rewards. Prize values are displayed on the side and top of drum-shaped, tilting wheel adding extra layer of novelty.
